

Louisville is "2006's Best Large City for Relocating Families"

Worldwide ERC[®], the association for global employee relocation, and Primacy Relocation[®] announced that Louisville, Kentucky is "2006's Best Large City for Relocating Families".

The two organizations worked with Bert Sperling of Sperling's BestPlaces to rate cities based on those factors - short-term and long-term - that determine the likelihood of a successful relocation.
